

Guidelines for completing your 1 to 1 Adult Dog Training session for your Assessment

1 to 1 Adult Dog Training session Criteria

- Your session should be 20 minutes in duration
- The 20 minute session should consist of a consultation and practical training and after the session you are required to send in a follow up report
- The issue will be a training issue not a behavioural issue
- You will need to be aware of and manage your own time during your assessment
