

Guidelines for completing your Puppy Home Visit Consultation for your Assessment

Puppy Home Visit Consultation criteria

- Your session should be 20 minutes in duration
- The issue will be a common puppy issue, it will not be a behavioural issue
- There will not be a puppy present
- You will need to be aware of and manage your own time during your assessment
- The session will be recorded for our verification purposes, these are deleted after 6 weeks

Preparing for your Puppy Home Visit Consultation

- Create a Puppy Consultation Form that can be used in your session
- Create a Complete Training Kit to take to the session, this should include all items you may need for a Puppy Consultation
- Please be aware of the IMDT code of ethics
